SUBJECT: Health and Welfare Programs/Employment Development Department Coordinate with Franchise Tax Board and Others to Develop Economic and Workforce Data

SUMMARY OF BILL

This bill would make various changes to health and welfare programs. In addition, this bill would establish the California Workforce and Economic Information Program that would require the Employment Development Department (EDD) to coordinate with specified governmental agencies, including the Franchise Tax Board (FTB), in developing economic and workforce information.

SUMMARY OF AMENDMENT

This bill as introduced provided the general basic legislative intent of the bill. This amendment deletes that intent language and adds the above-referenced enabling provisions.

EFFECTIVE DATE

As an urgency bill, this bill would be effective and operative immediately.

SPECIFIC FINDINGS

Currently, FTB participates in and conducts various statistical studies.

Under this bill, EDD would be required to coordinate with specified governmental agencies, including the FTB, in developing economic and workforce information.

Implementation Considerations

Until EDD's implementation plan is developed, the extent of FTB's involvement in the coordinated effort that is required by this provision in the bill is unknown.

FISCAL IMPACT

Departmental Costs

The departmental costs are unknown and would be dependent upon the extent of FTB's involvement in the coordinated effort required by this provision in the bill.
